I can read with expression. I am animated while I'm reading, and I may even change the sound or rate of my voice. I stop at all punctuation and I pause at commas. I read the words with ease and I don't get stuck on them.	I can read with expression most of the time. I read with some excitement and I stop at most punctuation or make pauses at commas. Sometimes I get stuck on words, but I use my strategies to continue reading.	I just read the words while I'm reading. I don't worry about expression. Sometimes I forget to stop at punctuation or make pauses at commas. I get stuck on lots of words. My reading isn't smooth, so it doesn't sound like when I'm talking.
